

Seminar Energy Transition

The Netherlands and Japan collaborating to decarbonization

Date: Thursday 16 March 2023
Time: 16.15 - 18.00 (JST)
Location: The Okura, Tokyo 2-10-4 Toranomom, Minato-ku, Tokyo 105-0001)
Room: Maple Room

The Embassy of the Kingdom of the Netherlands to Japan will bring together experts from across industries, supply chains and stakeholders to review the state of our energy transition, and the paths that both the Netherlands and Japan are following to realize this transition. Via scene setting on the Dutch and Japanese policies, and challenges facing our offshore wind energy and hydrogen sector, common ground for collaboration will be explored and shared in an interactive setting.
